

Participate in a **survey study** with researchers at **Harvard University!**

- We're studying how parents **use music** with their infants and children
- We are recruiting the parents of children (all ages) with **Angelman Syndrome**
- The survey takes about 45 minutes to complete, and you'll get a **\$10 gift card** as a thank-you gift!

For every 10 people who complete the survey, we'll make a **\$100 donation** to the **Angelman Syndrome Foundation!**

To participate, visit [https://harvard.az1.qualtrics.com/jfe/form/SV_2b3g9UrTj8py37n]

If you have any questions, you can reach us at musicstudy@g.harvard.edu or (617) 495-3503
