ANGELMAN SYNDROME FOUNDATION, INC.

FINANCIAL STATEMENTS
AS OF SEPTEMBER 30, 2017 AND 2016

TOGETHER WITH AUDITOR'S REPORT
INDEPENDENT AUDITOR’S REPORT

To the Board of Directors of
Angelman Syndrome Foundation, Inc.

We have audited the accompanying financial statements of Angelman Syndrome Foundation, Inc. (the Foundation) (a non-profit organization) which comprise the statement of financial position as of September 30, 2017 and 2016, and the related statements of activities, cash flows and functional expenses for the years then ended and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
To the Board of Directors of
Angelman Syndrome Foundation, Inc.

Page two

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Angelman Syndrome Foundation, Inc. as of September 30, 2017, and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matter**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures by program services is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

The accompanying notes are an integral part of this statement.
ANGELMAN SYNDROME FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2017 AND 2016

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES:

Angelman Syndrome Foundation, Inc. (the Foundation) was incorporated as a not-for-profit organization in 1990, under the laws of the State of Florida. Its mission is to advance the awareness and treatment of Angelman Syndrome through education and information, research, advocacy, and support for individuals with Angelman Syndrome, their families, and other concerned parties.

The financial statements were available to be issued December 21, 2017, with subsequent events being evaluated through this date.

The following summarizes the significant accounting policies and practices reflected in the accompanying financial statements:

Basis of Presentation -

The Foundation reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted net assets, as required by generally accepted accounting principles (GAAP).

Basis of Accounting -

The accounting records of the Foundation are maintained on the accrual basis which recognizes revenue as earned and expenses as they are incurred.

Cash and Cash Equivalents -

For purposes of the statement of cash flows, the Foundation considers all highly liquid instruments with an original maturity of three months or less to be cash equivalents.

Concentrations of Credit Risk -

Financial instruments which potentially subject the Foundation to concentrations of credit risk consist principally of cash. The Foundation places its cash and deposits with high credit quality financial institutions; however, deposits exceeded the federally insured limits at September 30, 2017.

During the years ended September 30, 2017 and 2016, the Foundation received approximately 53% and 66%, respectively, of its non-investment income from the annual fundraising walk held nationally to show the commitment to making a difference in the lives of Angelman Syndrome individuals and their families. This source of revenue is contingent upon the continued success of this event and may cause disruption in program activities if not conducted or successful.

Property and Equipment -

Property and equipment are stated at cost. It is the Foundation’s policy to capitalize expenditures for items in excess of $1,000. Lesser amounts are expensed. Depreciation is provided on the double declining balance method at rates designed to depreciate the costs of assets over estimated useful lives ranging from three to seven years.
Investments -

Investments are carried at fair value. Net realized and unrealized gains and losses are reflected in the statement of activities.

Support and Revenue -

The Foundation reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. If a restriction is fulfilled in the same time period in which the contribution is received, the Foundation reports the support as unrestricted.

Grant Award Recognition -

As a function of fulfilling its mission, the Foundation awards research grants. These disbursements may be conditional upon certain requirements that are to be fulfilled after the year ended September 30, 2017. Given the Foundation believes the possibility that such requirements for the current year of the award will not be met is remote, it records the full dollar amount of the portion of the current year awards as expense in that year.

Functional Allocation of Expenses -

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

In-Kind Contributions -

In addition to receiving cash contributions, the Foundation receives in-kind contributions from various donors. It is the policy of the Foundation to record the estimated fair value of certain in-kind donations as an expense in its financial statements, and similarly increase donations by a like amount. For the years ended September 30, 2017 and 2016, the value of in-kind donations totaled $164,941 and $138,427, respectively. Of the in-kind donations, $164,941 and $138,427 are included in the direct benefit to participants in the special events of the Foundation in 2017 and 2016, respectively.

Donated Services -

Contributions of services are required to be recognized if the services received (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. During the years ended September 30, 2017 and 2016, the Foundation received $147,000 of donated services meeting these criteria. Of the donated services, $26,034 and $29,458 are special events net of related expense in 2017 and 2016, respectively. Throughout the year, a substantial number of volunteers donated their time toward the activities of the Foundation, the value of which was not required to be included in the financial statements.
(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES: (Continued)

Estimates -

The Foundation prepares its financial statements according to generally accepted accounting principles that require the use of estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications -

Certain reclassifications have been made to the prior year financial statements in order for them to be in conformity with the current year presentation.

(2) INCOME TAXES:

The Foundation has been determined by the Internal Revenue Service to be exempt from income tax under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income tax has been established.

The Foundation files informational returns in the U.S. federal jurisdiction and various states. With few exceptions, the Foundation is no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by tax authorities for years before 2013. The Foundation does not expect a material net change in unrecognized tax benefits in the next twelve months.

(3) INVESTMENTS:

The market value of investments for the years ended September 30 is as follows:

<table>
<thead>
<tr>
<th></th>
<th>2017</th>
<th>2016</th>
</tr>
</thead>
<tbody>
<tr>
<td>Mutual funds</td>
<td>$724,569</td>
<td>$681,557</td>
</tr>
</tbody>
</table>

Investment return consists of the following:

<table>
<thead>
<tr>
<th></th>
<th>2017</th>
<th>2016</th>
</tr>
</thead>
<tbody>
<tr>
<td>Interest and dividends</td>
<td>$17,285</td>
<td>$16,968</td>
</tr>
<tr>
<td>Net realized/unrealized gain (loss)</td>
<td>$39,571</td>
<td>$28,241</td>
</tr>
<tr>
<td></td>
<td>$56,856</td>
<td>$45,209</td>
</tr>
</tbody>
</table>
The Accounting Standards Codification for Fair Value Measurements, established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

**Level 1:**

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

**Level 2:**

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:**

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2017 and 2016.

**Mutual Funds:** Valued at the net asset value (NAV) of shares held by the Foundation at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Foundation believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
(4) FAIR VALUE MEASUREMENTS: (Continued)

The following table sets forth by level, within the fair value hierarchy, the Foundation’s assets at fair value:

<table>
<thead>
<tr>
<th>Description</th>
<th>Assets at Fair Value as of September 30, 2017</th>

<td>151,000</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td>242,128</td>
<td>181,690</td>
</tr>
</tbody>
</table>

(7) EMPLOYEE BENEFIT PLAN:

The Foundation has a 403(b) plan for all of its eligible employees that matches up to six percent of the participating employee's contribution. The Foundation contributed $20,760 and $6,088 for the years ended September 30, 2017 and 2016, respectively.

(8) LEASE COMMITMENTS:

The Foundation leases an operating facility under a non-cancellable operating lease arrangement that expires in October, 2020. The Foundation also leases office equipment on a quarter-to-quarter basis and a copier under a lease agreement that expires in February, 2018 with payments ranging from $217 to $297. Rental expense for the years ended September 30, 2017 and 2016 was $21,826 and $23,317, respectively.

Future minimum rental commitments as of September 30, 2017 for all noncancelable leases are as follows:

<table>
<thead>
<tr>
<th>Year</th>
<th>$</th>
</tr>
</thead>
<tbody>
<tr>
<td>2018</td>
<td>21,527</td>
