Behavioral Tracking Sheet

Name of Individual: *Jack*

Problem Behavior: *Physical aggression (pinch others or pull their hair)*

Description of Problem Behavior:
 Pulling hair – pulling someone’s hair with one or both hands
 Pinching – squeezing someone’s skin between 2 or more fingers

Instructions: Each time the problem behavior occurs, place a checkmark in the box beside the corresponding date. At the end of each day, add up the number of checkmarks and record the number in the total daily count section.
