

# BECOME A CORPORATE PARTNER

THE ANGELMAN SYNDROME FOUNDATION IS A BANK OF AMERICA CHICAGO MARATHON CHARITY OF CHOICE!

The Windy City Angels participate annually in the Bank of America Chicago Marathon on behalf of all Angelman Syndrome Foundation families nationwide. Angelman Syndrome (AS) is a rare genetic disorder that touches the lives of one in 15,000. AS causes lack of speech and sleep, gross and fine motor issues, balance challenges, seizures, etc. Individuals with an AS diagnosis will require lifelong, constant care.

The good news is we are edging closer to a cure than ever before! Exciting and promising advances in recent research have us believing a cure will happen in our lifetime. (Go to [www.angelman.org](http://www.angelman.org) for more info.)

Won't you consider partnering with us today? Help us "Be The Cure!" Make a direct impact by becoming a corporate sponsor of the Windy City Angels team! Any questions, contact Kitty Murphy, Special Events Coordinator at 800-432-6435.
