

## Our Mission

The mission of the Angelman Syndrome Foundation is to advance the awareness and treatment of Angelman syndrome through education and information, research, and support for individuals with Angelman syndrome, their families and other concerned parties. We exist to give all of them a reason to smile, with the ultimate goal of finding a cure.

## Our Impact

The ASF provides essential access to resources, connection for emotional and physical wellbeing, fuel for innovation, research and world class clinical care while advocating for all-- resulting in full and meaningful lives for everyone touched by AS
